

TEDDIES TO GO® EASY ORDER!

"Making the world a HAPPY place, one bear at a TYME"

Bev White's **TEDDIES TO GO** ...go everywhere! As a complete kit or as a finished friend, this is one soft and cuddly fellow just sure to become your own, or a great gift for that special someone.

Kits are great for **parties, picnics, fundraisers**, and plain good-old, inter-generation **family fun**. **TEDDIES** offers the personal experience of making your own buddy, anywhere, anytime, with no sewing or special skills necessary. The back seam opening is already pre-sewn for you. "If you can pull on those socks, you can make this bear", says Bev.

Every kit includes a **Bear, Bunny, Panda, Doggy or Kitty**, in a variety of color choices. A brightly colored **Shirt** is included (**with bears, bunnies, panda kits only**), along with plenty of **Airtex® Premium Stuffing**, a **Red Heart, I.D.Tag, Family Tree Certificate** and **Easy Instructions** for completion in about 30-45 minutes, often less. Child safe, washer and dryer friendly, they make great car/traveling companions for young and old alike,and a wonderful surprise for all occasions!
